FOX-SI Ø 36-52	36 - 52	2001-4-036-052	2009-1-036-052	2009-4-036-052	2009-6-036-052
FOX-SI Ø 50-75	50 - 75	2001-4-050-075	2009-1-050-075	2009-4-050-075	2009-6-050-075
FOX-SI Ø 75-100	75 - 100	2001-4-075-100	2009-1-075-100	2009-4-075-100	2009-6-075-100
FOX-SI Ø 100-130	100 - 130	2001-4-100-130	2009-1-100-130	2009-4-100-130	2009-6-100-130
FOX-SI Ø 130-170	130 - 170	2001-4-130-170	2009-1-130-170	2009-4-130-170	2009-6-130-170

#### Features/ information

- Temperature range: -40 to 120° C (225°C) momentarily
- Classification: Burning: S3; Smoke: SR2; Dripping: ST-2
- Flame resistance: UL94 V-0 class 3, Halogen-free
- Resistance: Oils, Radio activity, Salt water, Ozone, Fuels, Alkalis, UV rays
- Mounting torque: max. 5-8 Nm
- Mechanical strength: up to 90,000 N
- All models SI stackable ( FOX-SI Ø 130-170 excluded)
- Certified: according NEN-EN-IEC 61914: 2016

## FOX CABLE BLOCKS MODEL FOX-UNI

### Model FOX-UNI (Universal)

Installation of single or multi-conductor cables/ tubes Ø 15-49 mm

#### Features/ information

- Material: black Polyamide, Fibreglass-Reinforced
- Temperature range: -40 to 120° C (225°C) momentarily
- Classification: Burning: S3; Smoke: SR2; Dripping: ST-2
- Flame resistance: UL94 V-0 class 3, Halogen-free
- Resistance: Oils, Radio activity, Salt water, Ozone, Fuels, Alkalis, UV rays
- Mounting torque: max. 5-8 Nm
- Connectable by means of a double dovetail joint
- Mechanical strength: up to 54,000 N
- Certified: according NEN-EN-IEC 61914: 2016

Model	Part number	A	B	C	D	E	F	G	H	Ø

## FOX-UNI CABLE BLOCK (-SETS)

The set consists of:

1. FOX-UNI Ø 15-34 / 30-49 Cable Block
2. Unistrut (41x21mm) channel L=350-450 mm
3. Kwikstrut channel nut
4. Threaded rods on length/rod connectors
5. Nuts and washers
6. Nail plug set (incl. washers and bolts)
7. At multiple layers, we use rod connectors for fast and easy installation. Also for later expansion.
8. Protective cap for threaded rods
9. Optional: AD Ø 19-25 clamp for extra cable/tube.

2 through 7 made of high-quality Galvanised Steel, optionally:  
Hot-Dip Galvanised Steel, or Stainless Steel. Packed separately, per type.  
Non-conformities and combinations reserved.

Below you will find an overview of the standard available sets.

We are also able to supply sets in different compositions e.g. horizontally coupled. Have a look at [www.fox-clamps.com](http://www.fox-clamps.com)

\*\* Specials available: for example sets - 6 cables, 7, 8 cables or multiple of these next to each other.

Pricing and sales conditions on request available

Example picture: 2 layers of 8 cables each

## Unistrut® Mounting Racks

**The set consists off:**

- 1) Channel, Unistrut P1000T (slotted) on length  
Choose width and height of rack (see below)
- 2) Baseplate (Kwikstrut)
- 3) Uni lock locknut (Kwikstrut)
- 4) Angle fitting, 90° (Kwikstrut)

### Unistrut Mounting Racks part numbers

Part number build-up: 2024-X-XX-XXX-X

- X: 1= Galvanised / 2= Stainless Steel / 3= Hot Dip Galvanised
- XX: Choose height of rack. For example. -05=500 mm / -15=1500 mm
- XXX: Choose width rack (horizontal.) For example. -050= 500 mm / -150= 1500 mm
- X: Choose amount of horizontals the example of picture is 2 pcs

*Example: Rack galvanised, height= 1000 mm, Width: 1500 mm, 2 layers; will be part nr. 2024-1-10-150-2*

## Unistrut® Kwikstrut

Please visit [www.fox-clamps.com](http://www.fox-clamps.com) for our complete catalogue or contact us: [sales@fox-clamps.com](mailto:sales@fox-clamps.com)

**General**

FOX Clamps, part of Adinco (1933), is one of the leading manufacturers of a complete range of high-quality cable clamps/ - blocks & Unistrut materials.

**Quality**

FOX Cable clamps/ - blocks are among the strongest cable clamps around the world. Mechanical strength up to 90.000N.

**Advantages**

Efficient calculation & - job preparation, quick mounting & implementation, logistics (total package at one supplier).

**Our core values**

- We keep our commitments in quality and on time delivery.
- We love open and fair business.
- We recommend solution-oriented.
- We are clear and keep direct communication.

Call or mail us for questions or quotes. We will be happy to help you.
